

Sweet Garden Goats

Reservation/Purchasing Information

1. Sweet Garden reserves the right to retain any kid born, whether or not there is a reservation for that particular breeding.
2. No deposit is required for doe reservations. We generally sell very few daughters out of our top does. After a few months we will more than likely sell a few that had been retained. (We can't keep them all.) These does will be offered to people on our waiting list first. There is no obligation and no deposit required to get on the list.
3. Buck reservations for our senior does require a deposit. The amount of the deposit depends on the breeding. Deposit amounts will be listed on the Kidding Schedule. We will take two buck deposits per breeding. After that we keep a waiting list. If no buck kid is available for you from your chosen breeding, you may roll the reservation to the following year, apply the deposit to another buck kid if one is available that you want, or have your deposit refunded. We reserve the right to cancel a reservation at any time. If your reservation is cancelled by Sweet Garden, your deposit will be refunded.
4. Buck kids out of first fresheners will virtually always be wethers. Wethers make great pets. No deposit is required to get on our wether waiting list. Wethers *must* be picked up no later than one week of age, or we will move to the next person on the waiting list.
5. Once you are notified that your reserved kid or waiting list kid has been born, you have **24 hours** to respond, and then you have **five days** to send a 50% deposit of the purchase price, paypal is preferred. If you do not respond to our messages, emails, or phone calls within 24 hours, or if the 50% deposit is not received within five days, we will assume you are no longer interested and will offer the kid to someone else. Registered kids must be picked up or transported no later than four weeks of age. If they are not, each kid incurs a \$5.00 per day boarding fee until picked up. If they are not gone by eight weeks of age, we will assume you are no longer interested and will offer the kid to someone else. Your deposit will not be refunded.
6. All kids must be fully paid for, including any boarding fees, before leaving. If you are paying the balance due at pickup, it must be in cash. Once the kids have been picked up and all monies received, we will register them for you and transfer them into your ADGA membership. There is no additional fee for this service.
7. Before making a reservation or asking to be put on a waiting list, please consider how you plan to transport your kid, if offered. It is the purchaser's responsibility to arrange and pay for transportation, and pay for any required crate or health papers. We will work with you as best we can to help arrange something suitable. Due to recent issues with air shipping, and other problems with long distance ground shipping, we will highly favor local herds, or herds within a 3-4 hour drive.

8. Registered bucks are named after composers, preferably classical composers. Does are named something to do with flowers, plants or growing things. I've recently been naming some of my does after Roses. Regardless, I am happy to work with you in naming your kid, but the final decision is mine.
9. Animals are healthy when they leave here. We do not sell sick or compromised animals, ever. As we have no control over their treatment after they leave, we offer no guarantees beyond that. However, if there should be an issue of some sort, please let us know. We may be of help.
10. ADGA Plus Herds, Performance Herds, and previous buyers will have priority for reservations and on our waiting lists.
